Reflections

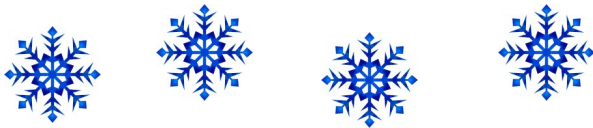

Reflecting on 2021

As we look forward to 2022 and make plans for the new year, it's important to reflect on 2021 and celebrate our accomplishments.

MOW faced another challenging year due to COVID, such as food shortages and rising costs. Our amazing chefs didn't let this slow them down. They found new food resources and shopped for the best prices. Also, our wonderful donors helped to defray costs, allowing meals to remain affordable to you.

In 2021 we delivered nearly 60,000 meals. We could not do this without our remarkable staff and team of volunteers packers, drivers, flower arrangers, and office helpers.

We are also so excited to see the growing traffic coming to our Niche Market and for the return of customers to our Eat Well Café in the Age Well Center.

Let It Snow, Let It Snow!

Being the optimists that we are, we just know that Father Winter will arrive some day. When that time comes, here are a few things to remember:

- Watch for news on your tv of closures. MOW will be listed if we are closed.
- We will also send an automated voicemail to you if we close.
- If we are open, there may be a delay receiving your meal. Please be patient for your driver to make it to your home.
