NO HOME DELIVERY

Project Homecoming

Project Homecoming is a program designed by Meals on Wheels of Boulder to provide you (or someone you know) with **five free meals** after transitioning home from a hospital, rehabilitation facility, or another medical facility.

Did you know?

- As many as 50% of patients coming home from the hospital don't know where their first meal will come from once they are home.
- Many go home with new dietary restrictions.
- Good nutrition is an important part of the recovery process.
- Healthy nutrition can reduce the number of healthcare visits and reduce overall healthcare costs.

Allow us to support your recovery with delicious and nutritious meals...so you can focus on getting better!
Call us to sign up at 720-780-3380.
