**Inclement Weather Policy**

Your safety is important to us. The City manager, in consultation with public safety and transportation staff, determines if a weather-related city closure is warranted. If the city offices close due to inclement weather, the city will post this information in a red banner on the top page of its website www.bouldercolorado.gov.

Older Adult Services staff will make every attempt to let customers who have registered for older adult massage, trips or programs, whether they be in person or online, know about the facility closure.

And of course, when there is a closure, the Eat Well Café will also be closed.
