## Unscheduled Closures

- Our decision to close is made with careful consideration of safety for our volunteers and staff. Thank you for understanding our response to conditions beyond our control (i.e. weather, power outage) and the possibility of menu changes in the event of a temporary closure.
- We have staff and volunteers who begin preparing for the daily meal and delivery at 6am. When we decide to close it is based on early morning conditions as well as conditions during the delivery time.
- We will have an updated outgoing voice message at 720-780-3380. Please call if you think we may be closed or if your meal has not been delivered “on time”.
- Watch for MOWB to be listed on TV news, radio, or social media.
- We may send an automated voicemail to clients.
- Clients are not charged for meals that were scheduled on closure dates.
- We recommend always keeping non-perishable food and/or a frozen meal on hand to have as a backup.
- If we stay open, your meal delivery may be delayed. Please be patient for your driver to arrive.
