July 2024

## COOLERS!!

We want to remind all clients to please put (or keep) your cooler out, if there is any chance you may not be able to answer your door when a driver arrives.

Drivers are not allowed to leave meals outside without a cooler. For your safety, make sure you remove your meal from the cooler ASAP, especially with summer temperatures!

Please eat your meal or put it in your fridge right away. Do not keep ice in your cooler. It's intended to keep your meal hot as long as possible (except with summer entrée salads).

If you need a cooler, please call (720-780-3380) to let us know. We try to have Styrofoam coolers available for client use.

## Meals on Wheels of Boulder FAN CLUB

- We will be reaching out to our community to solicit help collecting electric fans for our clients, as we did last year.
- If you feel you need or will benefit from having a fan and want to be part of the "Fan Club" please call or email us at 720-780-3380 or [info@mowboulder.org](mailto:info@mowboulder.org).
- The fans will be for tabletops or floors and will be delivered to clients based on availability. We will not be able to accommodate style preferences.
- We have no idea how many fans will be collected so please don't hesitate to call so we can put you on our list of hopeful recipients.

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator, with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." — The Declaration of Independence, 1776
