Client Database Update!

We are excited to announce our migration to the brand-new client database on June 30th was successful.

- We entered data into both systems for training and testing purposes.
- We are now operating on just the new system.
- We will continue to learn and fine tune our new procedures and processes for everything.
- Please call us if you have any questions, concerns or feedback.
- Thank you for your continued understanding and support during this time of transition.
