About Meals on Wheels of Boulder

Celebrating 56 years of meal delivery! Since 1969, Meals on Wheels of Boulder has been serving the lonely, isolated, often invisible members of our community who are not able to shop for or prepare their own meals. Meals on Wheels of Boulder provides nutritious meals and a daily wellbeing check-in to Boulder neighbors who might not otherwise have access to good nutrition, and who can go days without the warmth of human interaction.

We deliver over 300 meals each weekday with the support of around 365 volunteers per year. Over 2.9 million meals have been delivered since 1969 through our Meal Delivery Program and Project Homecoming.
