Letters Against Isolation

We have a new partnership with Letters Against Isolation, an international group who fights loneliness, one letter at a time.

- Volunteers write messages of love, hope, and connection to friends they haven't met yet, like you.
- Our drivers will periodically deliver the letters and cards to our clients.
- We hope they will brighten your day, bring you joy and support.
- If you'd like to receive them more often, please let us know.
